

# Evanilson Tavares.

## SENIOR 3D ARTIST

### PROFILE

Senior 3D Artist with around 10 years of experience specializing in furniture and product visualization. For the past ~4 years I have worked remotely for Rooms To Go (USA), producing photorealistic product imagery at scale. Strong across modeling, texturing, lighting and photorealistic rendering, with additional experience in augmented reality and real-time asset optimization.

### EXPERIENCE

#### Senior 3D Artist

AUGUST 2022 – JUNE 2026

**Rooms To Go** · Tampa, FL, USA · Remote

- End-to-end furniture visualization for a major US retailer's catalog — modeling, texturing, lighting and final photorealistic rendering.
- Asset optimization and product imagery for e-commerce and marketing.
- Built MAXScript tools to automate repetitive production tasks inside 3ds Max, streamlining the modeling and delivery pipeline.

#### 3D Artist

JUNE 2017 – JUNE 2022

**Modelamix.CGI** · João Pessoa, Brazil

- 3D modeling of furniture assets for the retail sector.
- Acted as project manager and created team workflows.

#### Designer

JULY 2015 – MARCH 2017

**Brasil Solair** · João Pessoa, Brazil

- Technical design projects.

#### CAD Designer & Architectural Visualizer

APRIL 2013 – JUNE 2017

**Metrius Arquitetura** · João Pessoa, Brazil

- Technical CAD drawings and electronic architectural renderings for architects.
